PREPARING TO PROCLAIM

PRACTICAL STEPS

TESTIMONIES VOLUME 9, PG 19

“In a special sense Seventh-day Adventists have been set in the world as watchmen and light bearers. To them has been entrusted the last warning for a perishing world. On them is shining wonderful light from the word of God. They have been given a work of the most solemn import—the proclamation of the first, second, and third angels’ messages. There is no other work of so great importance.”
